Note

The Taluk Branch school proposed to be opened at Marikanave involves an additional cost to the Village School Fund of Rs 32 per mensem or Rs 384 per annum exclusive of accommodation charges (account proposed by Supdg Engr.)

In the current years Village School Fund Budget a provision of Rs 10476 has been made for 105 new schools mentioned in the list received from the Bhabt. In sanctioning this amount, Govt have remarked that fresh proposals for utilizing such sums as may be required from time to time out of this provision, should be ~~obtained~~ submitted by the Dept and sanction obtained. It is doubtful whether the sum involved in the present proposal may be met out of the same provision

SIR,

I have the honour to inform you that the Superintending Engineer of the Mankanve project recommends that a Kannada school for boys with a separate girls class may be opened at an early date at Mankanve chiefly for the education of the children of officials He sends a preliminary list of 11 boys and 19 girls ready to join the school and thinks more will join in course of time Under these circumstances I recommend that a Taluk Branch School may be sanctioned from the Village School Fund with the following

following establishment

A Headmaster on	Rs 15
An Assistant Master for the Girls' Class on	Rs 12
A Sweeper on	Rs 4
Contingencies	Re 1

The Superintending Engineer promises to give accommodation free - Living is costly at Mankanve and the place may not be quite healthy, I have therefore proposed slightly higher salaries than are usual in new village schools
